

Telehealth Medical Consent

Telehealth Medical Consent

Last Updated: **03/27/2026**

By using telehealth services through **Aspen GLP**, you acknowledge and agree to the following:

Nature of Telehealth

Telehealth involves delivering healthcare services using electronic communication technologies.

This may include video consultations, messaging, or digital questionnaires.

Risks of Telehealth

Potential risks include:

- Technical failures
 - Incomplete information due to electronic communication
 - Delays in evaluation or treatment
-

Benefits of Telehealth

Benefits may include:

- Improved access to healthcare providers
 - Convenience and flexibility
 - Reduced travel time
-

Patient Responsibilities

You agree to:

- Provide accurate medical information
- Inform providers of any changes in your condition
- Seek emergency care when appropriate

Consent to Treatment

By using the Platform, you consent to receiving telehealth services from licensed healthcare providers.

You may withdraw consent at any time by discontinuing use of the Platform.
